

Gain Authority with Articles

GET POPULAR PUBLICATIONS TO TALK ABOUT YOU

Gain authority with Articles and large internment platforms to increase chances of Social Verification. Boost your company's authority by getting popular publications to talk about you, your story, your goals and your impact. The aim of T3-PR is to capture the public's attention through storytelling and biography.

Your potential customers and business partners will search you on Google and find pages of articles written about you by **popular blogs and publications like Thrive Global, Disrupt, and BuzzFeed**, designed to ultimately influence them to maintain a positive view about your organization(s), its leadership, products, or philosophy on life.

With our team of copywriters and marketers, **you are guaranteed to get the most out of your T3-PR exposure** which will increase sales, online presence, and repubaility in your industry. Let's get you on the map!

Google index and SEO optimization to offset the value of getting these articles listed by verified contributors with hundreds of articles published, attracting an audience of their own. Having reputable contributors on staff is a difference maker between us and the typical PR vendor.
